PROFESSIONAL SUMMARY

A versatile and results-driven Creative Professional with over seven years of experience specializing in post-production, visual effects, and digital storytelling. Adept at transforming long-form content into highly engaging, short-form videos for international digital ad campaigns. Combines a deep background in video editing and Desktop Publishing (DTP) with modern technical proficiencies, including the integration of Generative AI to optimize creative workflows. Proven track record of managing high-volume production projects and delivering market-leading creative assets.

PROFESSIONAL EXPERIENCE

December 2024 – Present

Creative Video Editor

MASSIVE IMPACT (Formerly SEO ORB)

- Direct and develop video creatives for high-conversion Meta and Google Ad campaigns targeting audiences across the UK, US, and Australia.
- Delivered 100+ creative projects for over 20 global clients, with a focus on video ads for the Escape Room and entertainment industries.
- Utilize generative AI tools and advanced post-production techniques to scale ad variations and improve campaign performance.

2018 – December 2024

Freelance Video Editor

Manocha Academy

- Executed 100+ video production projects tailored for social media marketing and educational campaigns.
- Managed end-to-end post-production efforts, created custom visual effects, and coordinated seamlessly with creative teams to ensure high-quality storytelling.
